

KITCHEN AND BATH BUSINESS

21ST ANNUAL MARKET FORECASTER REPORT 2006

Everything You Need to Know to Target Your Market and Drive Sales

Drawn from independent research and exclusively published by K+BB, The Market Forecaster Report identifies and interprets the industry's most important trends for 2006 and beyond.

Stay Ahead of Your Competition... go to www.kbbonline.com or call Fatima Ruiz at (646) 654-5763 to purchase your 2006 K+BB Market Forecaster Report Today!

K+BB's Market Forecaster Report has the answers you need to build your future business including:

- n Economic trends including consumer confidence, appliance shipments, home improvement spending
n Remodeling vs. New Construction projections
n Kitchen and bath jobs planned for 2006 and price points
n Projected sales on a category basis
n Sales by retail channels
n Sales by product specifiers: designers/architects, buy-it-yourselfers or do-it-yourselfers
n What are the best opportunities for profitability in 2006 and beyond?
